Why must society protect every embryo?

The inalienable right to life of every human individual from the first moment of conception is a constitutive element of civil society and its legislation. When the State does not place its power at the service of the rights of all and in particular of the more vulnerable in society, including unborn children, the very foundations of a State based on law are undermined.

Three Days but One Feast Celebrating the

Triduum in the Parish The Triduum liturgy is the culmination of the entire year and it makes sense that the community's Sunday experience influences their anticipation of Triduum. If our assemblies are not engaged by music, preaching, hospitality, or other sacramental encounters at the Sunday liturgy, they are not likely to seek out more of the same. It is common to think of our Sunday liturgies as "Little Easters," particularly because we celebrate the Risen Christ in every liturgy. Perhaps we also could consider Easter Sunday, and thus Triduum, as "One Great Big Sunday" that is integrally connected to all other Sundays of the year. This larger framework can inform how we plan, prepare, celebrate the Triduum, and balance the dialogue between Easter Sunday and all of the Sundays of the liturgical year. With this in mind parishes and individuals are invited to join a Livestream talk *Three Days but One Feast- Celebrating the Triduum in the Parish* offered by Fr. Bill Burke, Pastor of St. Marguerite Bourgeoys Parish, Sydney. This talk will take place on Tuesday, November 7, 2023, 7:00pm, at St. Joseph Church, Port Hawkesbury, NS. This presentation will be available to watch live on our Diocesan Website (<https://www.antigonishdiocese.com/>). Pastors, parish pastoral councils, liturgy committee members and all interested parishioners are invited to login for this event.
